***"Oh , that men would give thanks to the Lord for His goodness,  
And for His wonderful works to the children of men!"  
Psalms 107:15***

Dear Church family,

November is here and this is the time of year that we set aside to gather with family and friends to give thanks for all of God's blessings...at least it should be. But as we read in this verse and as we look around, we see that many have forgotten God; He has been so very good to us! We need to remind ourselves of the many blessings we share, even in the midst of inflation, recession and uncertainties as a nation and world. We know that our God has provided everything we need and will continue to do so.

We are excited about our new members here at FBCN as we continue to see God's hand at work! Remember Pastor Tim's recent message, "God is the one who grows His Church."

There are many opportunities this month to get involved; Bible studies are available for everyone, men have a breakfast on Saturday the 12<sup>th</sup> at 8:30am in the fellowship hall. Our youth will be going bowling on November 20<sup>th</sup> for our Sunday Funday activity. We will also be having our annual Thanksgiving eve service combined with other churches here in our communities. Join us for this special service and keep your eyes open for the time and location to be announced.

Let's remember to give thanks for the family time here at church and with your own families as you gather together for Thanksgiving.

God Bless you!
