### Back to Church!

I hope you have had a wonderful summer. We sure did. We had a chance to visit our family in May. We enjoyed a great Bible Discovery Week in June. Our attendance and giving in July and August have been strong. We have so much to be thankful for! Now, we are preparing for another fall season. We want to encourage you to be committed to being here.

We will begin September by observing the Lord's Supper together. This reminds us of the sacrifice that Christ made for us. On Sunday mornings in September, we will be studying the book of **Acts**, "Power to Witness" is our theme. We will cover chapters five through eight. On Sunday nights in September, we will study **Psalms** 11-15. Each Psalm is unique. They all teach us about "Worship at its Best." Some people attend on Sunday night because they cannot attend on Sunday morning. For them, this is an important service.

Our Good News Club outreach to our elementary schools will begin in full force this month. Teaching teams from our church will be at Bonita on Tuesday afternoon, Hunt on Wednesday afternoon and Von Renner on Thursday afternoon. Praise God for those who are willing to serve. Please pray for a good attendance and for spiritual fruit.

On September 6<sup>th</sup> we will have our regular Men's Breakfast. This is a great time of food and fellowship. Men of all ages are invited to attend. We meet at 8:30am. We will have a memorial service for our sister, Betty Ogden on September 20, 2025 at 10am. Let's come together and celebrate the life of our dear friend. On September 27 we will have our regular Women's Breakfast. Our Ladies will enjoy being together again after a summer break. They will meet at 9:30am. All ladies are welcome. After a busy summer, our church is back in full swing this fall. We would love to have you join us for our special times together.

*In His Service, Pastor Tim Rempel*

*"But the Lord has become my stronghold, and my God the rock of my refuge." Psalms 94:22*

I am so thrilled to see what God is doing here in Newman! In the study "Experiencing God" it teaches that God is always at work around us. I can see that happening in the way He is moving in His church, the schools and the community! The study also encourages us to join God where He is working, so, let's join up!

Our youth and children's departments have some great things going on this month! A family BBQ and game activity night, our youth are attending the Lift ignition conference in Alameda California, and we are teaming up with the Orestimba youth for a game day as well as trying to invite the community youth out for games and a devotional at a park. Please pray for these activities.

We will be trying to have a small group fellowship one night for the Middle school and High school age kids. If you are a parent of a youth in these age groups and would be willing to host one evening for an hour or two, please contact me.

I pray that your school year is off to a great start!
