

## Registration 2024-2025

The Children's Day Early Learning Program is dedicated to providing children a safe, nurturing, and Christian environment in which to grow and learn. Experienced teachers and a strong curriculum expands each child's growth academically, socially, cognitively, emotionally, physically and spiritually. All of this is accomplished in a rich interactive environment that is theme based and lots of fun. We offer a low student to teacher ratio with two highly trained teachers in each classroom.

All spots are filled on a first come, first served basis. A waiting list will be created for the classes that become full. There is no financial commitment to be on the waitlist. Registration forms will be on the website by January 25. These forms must be filled out prior to registration. Your spot is secure at registration upon receipt of all fees and completed forms. Including a signed or stamped immunization record, a letter of intent, an application form, a doctor's statement, and a discipline and guidance form. These forms cannot be completed online, you must bring paper copies.

Children are placed in classes based on their age as of September 1, 2024. Children will remain in that class, with peers of a similar age for the school year.

Because we secure staff and purchase materials based on registration, all fees associated with registration ( supply/registration fees and May tuition) are nonrefundable. Fees/tuition may be paid by check, cash, or money order. Credit Cards can be used online at [First Baptist Friendswood.org/childrensday](https://www.firstbaptistfriendswood.org/childrensday).
