FOOD & FELLOWSHIP VARIOUS SCRIPTURES

What does it look like to put _____ with Jesus at the center of food & fellowship?

- Accepting one another across social and cultural boundaries just as _____ (Romans 14:3-4; 15:7-9).
- Extending _____ to one another, as Jesus is _____ with all us (14:13-15).
 - God's new covenant people are characterized not by their _____, but by _____ one another out of fealty to Jesus (14:13-18).
 - This is serving _____! (14:18).
- Responding with _____ and _____ to what God has done for us and in our midst (Luke 15).

Putting Jesus at the center of food and fellowship looks like joyfully _____ his family over our personal _____ and _____.

Discussion Questions

1. What are the cultural boundaries that divide fellowship in our society today? How does welcoming believers across those lines testify to the Lordship of Jesus?
2. We celebrate what we value. How might we incorporate the regular celebration of God's work into our daily lives?
