

Candidate Profile

Missions Committee

Paul Schultz

Spouse: Audrey

Children: Andrea, Alexa

Member for: 37 years

Employment: Retired

**How do you desire God to use you
as a member of the missions committee?**

Having been a missions partner that our church supported, I feel that I can offer an insight into how to support and encourage our current partners. I look forward to getting to know all the missionaries that we support and lifting them up in prayer. I also have had a lot of experience in interviewing new applicants from my previous job as a middle school principal.
