## Prayer Requests

### Our Missions Partners

- Randell and Kelly Harms will soon be stepping into a new role with Avant Ministries, encouraging, serving and praying with over 280 retired Avant missionaries. Pray for them as they begin this new chapter, that God would richly bless their ministry and allow for many gospel-centered conversations with former missionaries. Ask the Lord to strengthen them through the Holy Spirit with renewed energy towards this ministry work.
- W & S build relationships with Muslim people in South Asia through business. Pray that the Lord of the harvest would continue to raise up more laborers, that they would be faithful, and that they would have wisdom to know how to disciple well. Ask him to provide new opportunities to help the locals working in their industry, so they can more naturally share the gospel message.
- Jon and Jenny Stoll have been serving in Bolivia to provide theological education. Recently, they accepted a role serving with SIM through their Global Mission Center in North Carolina! Pray for their family as they move from Bolivia to the US as home-based missionaries. Ask God to sustain them in health, and provide for their needs as they work to settle many details in this season.
- *Praying for People Groups:* The Mestizo people are about 68% of Bolivia's population, having European and Indigenous ancestry. The Mestizos generally have access to the Bible and Evangelical Christianity. Pray that the Mestizos will learn God's Word, understand how the gospel challenges their worldviews, and turn toward Christ in belief.
