70 BPM

## VERSE

God you have searched me  
Lord you have known me  
Formed me in the depths, numbered every step  
Here in the present, holding my future  
Led me in the past, your presence lights the path

## CHORUS

Always, always  
Faithful forever you'll be  
Faithful forever my king  
Always, always  
Faithful forever you'll be  
Faithful forever my king

## VERSE 2

Thoughtful towards me, guiding in wisdom  
There is no good thing that you'll hide from me  
Tuning my heart to delight in your glory  
Oh your plans for me to worship you my king

## CHORUS (2x)

## BRIDGE

Why would I run, why would I hide  
You are good, you are my good  
Why would I run, why would I hide  
You are good, you are my good

## CHORUS (2x)
