

COME TO THE FATHER

Tyler Daniel, Chris Mallonee, Austin Davidson, Lucas West, Josh Reynolds

VERSE

His eyes are on the lowly
His heart is drawn to need
He's present with the broken
With all who mourn and grieve

CHORUS

Come to the The Father
With nothing to offer
Come and be filled
Come and be filled
All who are thirsty
Drink of the water
Come and be filled
Come and be filled

VERSE

He lifts the heavy garments
Of those weighed down by shame
He crowns the crushed in spirit
His hand is strong to save

CHORUS

Come to the The Father
With nothing to offer
Come and be filled
Come and be filled
All who are thirsty
Drink of the water
Come and be filled
Come and be filled
Oh come to The Father
Oh come to The Father

BRIDGE

The king of all creation
Delights in you and me
An open invitation
To all who would receive

CHORUS

Oh come to the The Father
With nothing to offer
Come and be filled
Come and be filled
All who are thirsty
Drink of the water
Come and be filled
Come and be filled
Oh come to The Father
Oh come to The Father
Come to The Father
