LYRICS

VERSE 1 (2X)

You are the God of all creation
Your name is higher than the heavens
Yet in your grace you care for us
And in your love you died for us

CHORUS 2X

Lord our Lord
How majestic is your name
In all the earth

VERSE 2

You give us life and hope in you
A refuge for our restless hearts
You keep us in your sovereign hands
You give with grace
And take with mercy

CHORUS 2X

Lord our Lord
How majestic is your name
In all the earth

BRIDGE 2X

There is no place
Your kingdom does not reign
There is no place
Your glory will not shine

CHORUS 2X

Lord our Lord
How majestic is your name
In all the earth
