INTRO

VERSE

There are no treasures this heart could discover
No power or fame that could bring delight
Futile my searching to settle this hunger
Drinking from wells that only run dry

Lord there is no good thing
You have withheld from me
Though I am thirsty and always in need
I'm never found wanting if you're what I seek
You have withheld from me no good thing

VERSE 2

There is an enemy who is deceiving
I've played the game and bought all the lies
Of all of the things that I've been believing
Nothing compares to the promise of pride

CHORUS

BRIDGE (2x)

You take with mercy, You give with grace
You know exactly what I need
You are withholding no good thing

BRIDGE 2

I trust Your mercy, I rest in Your grace
You know exactly what I need
You are withholding no good thing
