VERSE

Lord we hunger and thirst for you
You alone can satisfy
Give us ears to hear and eyes to see
We need you

CHORUS

We need you every hour
We need you send your power
Come now Holy Spirit open up our eyes
We need you

VERSE 2

Though I am willing my flesh is weak
But a humble heart you won't deny
If I had nothing you'd still provide
Oh I need you

CHORUS

BRIDGE 1 (2x)

Oh the cross has spoken every tear you'll wipe away
All my wounds, all my failures
Are buried in that grave
So come now Holy Spirit open up our eyes
We need you

CHORUS

BRIDGE 2

Oh the cross has spoken every tear you'll wipe away
All my wounds, all my failures are buried in that
grave
May your kingdom come, may your will be done
In our lives as we pray
We need you, we need you
