KIDSQUEST

GOD VIEW: The connection between cooperation and God's character, as shown through God's Big Story.

Cooperation is a spiritual concept that originates with God. God created us to work together in a community. Throughout the Bible, we see how God brought people together to accomplish something big for Him. When we work together, we reflect what Jesus envisioned for His followers. Our love for one another can point people to Him.

KidsQuest needs volunteers for Sunday mornings! Can you help out on Sunday mornings? If you can give one or two Sunday mornings a month, or if you can serve on a rotating basis in our Sunday morning kids ministry, please contact Debbie Wiist at debwiist@gmail.com.

You will be blessed!

Join us every Sunday at 9:30 for KidsQuest and bring a friend or a neighbor!

KIDS MISSIONAL COMMUNITY

Be on the lookout for a wonderful opportunity to bless the kids of Foley. The Kids Missional Community will be teaming up with Rev Enrique Escobar and the Hispanic Community to sponsor an "Easter Eggstravaganza Hunt" in April. Details will be forthcoming in the weeks to come!

TABLE MISSIONAL COMMUNITY

The Table Missional Group delivered Valentine treats to our Police Fire and EMS personnel Monday morning. They were all very appreciative. Shown Here are the firefighters that were in when we stopped by. Thank you to all who donated to this great cause!

COUNCIL REPORT FROM FEBRUARY 7, 2022

Council met on Feb 7 items covered included a donation of 60 padded folding chairs from member Terry Collings. Terry has moved to Arkansas but will be in town the last week in April to host a meeting of her late husband's Army Unit. To do this she needs chairs and has offered us the donation of these chairs after her event. We are very grateful for her generosity.

Council also expressed its support for the upcoming Fish Fry and Family Promise week. Prayers that both go well and are successful for all involved.

UMM BREAKFAST

At the last men's breakfast held on 2/19/22, all money collected was donated to Foley High School FFA club as a way of saying thank you to the group for all the hard work and long hours they put into refurbishing the church bell. When the project was started last year, the only thing the FFA group asked is that we cover the cost of the materials, which we were able to do with the sanctuary remodel funds. We wanted to be able to show our appreciation to this special group of teenagers and their teacher, Lance Lipscomb, so in February, AJ Joellenbeck and Shane Ratcliff presented checks to Lance totaling \$475.00, which was the total from previous donations and the money from the men's breakfast. On a personal note, I just want to say thank you to my church family for helping to show our support for this talented group of teens.
