Christmas and Easter Concert Choir: Every other Saturday, September – December (Christmas), February – April (Easter).

Bell Choir: Meets on selected Sundays after the morning worship service (dates TBD).

Music Ministry

God commands music in worship (Psalm 98). Our ministry is to offer up music to God that is our very best because God's person and holiness demands it. We lead God's people in the singing of hymns and psalms both in congregational worship and in anthems and musical offerings by the Sanctuary Choir or Bell Choir.

Prayers

- 1) Pray that the Lord would continue to provide for ministry needs (singers, music, and instrumental accompanists).
- 2) Pray that others would join in our choir and bell ministry that we can continue to grow in number, spiritually, and musically for the glory of God in Christ.
