Ministry

The Visitation Team strives to minister to those in our church who are sick or shut in by visiting them in their homes, calling them on the phone, or sending a note.

Needs

Volunteers who are willing to visit, call, and write to members of our church who could use encouragement.

Prayers

- 1) Pray that we can faithfully minister to those in need within our church.
- 2) Pray that the Visitation Team will be made aware of the needs as they arise in our congregation.
- 3) Pray that our Visitation Team will grow and bring joy to those to whom we minister.
