

Free Reformed Church Family Camp

Overnight Registration 2026

Family Camp 2026 will be held **August 10–12** at **Michawana Camp & Retreat Center**. Whether you plan to stay overnight or join us for the day, we are excited to welcome you!

This year's theme will focus on **Christian Unity in the Body of Christ** with keynote messages from Dr. Sherif Fahim. We look forward to being challenged and encouraged from God's Word and growing together in fellowship.

In addition to biblical teaching, Family Camp will feature plenty of opportunities for fun and connection. We are excited to bring back the Family Camp Talent Show along with introducing a Fishing Competition on Tuesday. On Wednesday evening after dinner, youth and children can enjoy a piñata party or a candy scavenger hunt.

As always, there will be recreational activities, meaningful conversations, opportunities to build friendships, and much-needed relaxation in a beautiful setting.

Please join us in praying that God will richly bless this year's camp, strengthen the bonds of unity among believers, and use our time together to encourage and refresh all who attend.

We can't wait to see you there August 10–12!

Some quick facts for overnight guests:
