**Feast of Grace**

**Key of G | BPM 162**

Written by Charlie Hall & Dustin Ragland

**Intro**

Em D/F# G C D

**Verse 1**

Em D/F# G  
We stand between the rebel feast  
C D  
And the banquet with our righteous King  
Em D/F# G C  
We are longing for a brighter country, Jesus  
Em D/F# G  
We bring ourselves and our broken dreams  
C D  
And the pilgrims cry is the song we sing  
Em D/F# G C  
This is Your kingdom You are our King, Jesus

**Pre-Chorus**

A/D G/B Em D/F#  
Let the door of our hearts open to feast  
C  
As we run to the King

**Chorus**

G  
We break the bread  
Em  
We lift the wine  
D  
We feast on grace  
C  
Jesus our life

**Verse 2**

You hold our stories inside your hands  
You move our hearts and have sovereign plans  
When everything is shaken  
Your kingdom stands Jesus  
Come fill the earth with heavens wind  
And with one name on our lips we'll kneel  
Then our lives rejoice  
And our hearts be seen Jesus

**Turn**

D Em G

**Bridge**

Em  
All the prodigals are running home  
G  
From the famine to the feast  
Em  
All the saints are lifting omens  
G  
And groaning at His feet  
Em G  
All the broken sowing tears are waiting for the joy  
C D  
So we lift the cup with tears and hope
