
Kiss the Wave**Key of G**

Written by Kristi Hepp and Hilary Burkhart

Verse 1

C G
My days are marked by hiding
C D
In hopes no one will see
Em C
My emptiness, this brokenness
G D
The vastness of my need
C G
Your hand was heavy on me
C D
The weight of all my sin
Em C
My nakedness, You came for this
G D
To cover me instead

Chorus 1

Em C G
I must learn to kiss the waves
Em C G D
That throw me against the Rock of Ages

Verse 2

We saw you in the garden
Bearing all our grief
Our emptiness, this brokenness
The vastness of our need
Lifted up before us
Our hope upon a tree
You bore our curse, You loved us first
You drank our suffering

Chorus 2

Em C G
O, Christ you bore the wave
Em C G D
To lead us unto the Rock of Ages

Bridge

Em C
Rock of Ages cleft for me
G
Let me hide myself
D
Let me hide myself
Em C
In Your scars and suffering
G
Let me hide myself
D
Let me hide myself

Verse 3

C G
Soon we'll see your glory
C D
When suffering will cease
Em C
Face to face, our sin erased
G D
This song we'll ever sing

Chorus 3

O Christ you bore the wave
To lead us unto the Rock of Ages
