C
With tears like springs in this barren land
C
We long for the deserts bloom
C
Where streams break forth in the wilderness
C
When you make all things new

C Am
Let justice roll down like a river
C Am
His righteousness like an ever flowing stream (2x)

Verse 2

C Am
In this garden plagued with thorns and toil
C Am
We labor endlessly
C Am
Our songs of joy laid down in soil
C Am
One day well rise and sing

Bridge

Our hope lies in wait, for that glorious day
Am
When you make all things new
