There was no one else coming for us
C
Who could pay our debt?

No one else was coming

We sold ourselves to darkness

Who could buy us back?
Em D C
No one else was coming
Em D C
No one else was coming

Chorus 1

C G
What God would give His Son?
Em D
What God would come to us?
C G
To buy back unworthy ones
Em D
Would pour His blood, crimson love

Chorus 2

C G
What King would leave His throne?
Em D
Yet, ours stripped off His robe
C
As one man brought sin
G
So, one man redeems us
Em D
We are free by Christ our King

Bridge

C G D
The cursed tree that hung His flesh, a rebel's death
Em
There's none like our God
C G D
Though fit to wear the holy crown our servant bowed
Em
There's none like our God
C G D
What love would spare no cost, no cross, no price too high
Em
There's none like our God
C G D
What God would wear our curse, our shame unto the grave
Em
There's none like our God
