

Until I See You Face to Face

Written by Brandon Laib

Verse 1

Em D/F# G
Oh Lord, I've forgotten who You are
 Am
That by Your mighty hand
 Em
You delivered me from death
 Bm Em
And all my righteousness

Verse 2

Oh Lord, I've forgotten who I am
Your blood is on my hands
but You've taken this old man
and hung him on that tree

Chorus

Am Em
Remind me of Your gospel
Bm Em
Remind me of my worth
Am Em
That You poured out every drop of blood
 Bm Em
And covered every damning work
C G
And I'll write it on the doorposts
 Bm Em
Of the house and on my gates
C G
And fight against forgetfulness
 Bm B7
Until I see you face to face

Verse 3

Oh Lord, I've forgotten what You've done
You created and you loved
And you took the place of dust
The guilty for the good

Verse 4

Oh Lord, I forgot who I can trust
So I'll try to grind it out
But the want is just too loud
And I'm slowly caving in
