

MEMBERSHIP COVENANT

I, _____, willingly enter into Covenant Membership with Frontline Church. By signing this Membership Covenant, I can say with good conscience that I meet the Requirements for Membership at Frontline. By the Spirit's help, I will aim to live in accordance with these expectations by the Holy Spirit's help. I have read and believe the Frontline Members Confessional Statement in its entirety.

I understand that while complete agreement with the Doctrinal Statement of Frontline Church is not required, I will not contribute to division over particular theological distinctives found in that statement. I promise to pursue love and guard unity within the church.
