**Marriage That Pleases God**

Teacher: Pastor Chuck  
Room 224 from 7:00-8:00

Marriage is not the end in itself. God desires for our marriages to reflect the incredible union and relationship between Christ and His bride, the church. As we work through the Biblical institution of marriage, we will see how God uses it to help build His church, prepare our children for His service, and offer hope to unbelievers. This eight week course will help remind us that through God's grace and power in His gospel is the beginning, means, and goal of every marriage.

**Grace Bible Institute**

Teacher: Pastor Blake  
Room: Worship Center from 7:05-8:00

Learning and living sound doctrine is key to a healthy church. God's goal for every believer is to move us from a first faith in Christ to a firm faith in Christ. Learning good theology is foundational to the Christian life because what we believe about God determines the quality of our Christian life. The Grace Bible Institute (GBI) is a three year class on Wednesday's nights designed to ground believers in 9 areas of basic Bible doctrine. This winter we have the privilege of learning more about God the Father as we study Theology Proper. Come and learn the attributes of God the Father and be amazed that because of the work of Christ and the ministry of the Holy Spirit we have the privilege of calling the one true God "Abba! Father!" (Romans 8:15).
