Weekly Prayer:

Pray for our church-This week we pray Colossians 3:13 for one another, which calls for us to "bearing with one another and forgiving one another if anyone has a grievance against another. Just as the Lord has forgiven you, so you are also to forgive." Pray we would be quick and willing to forgive one another. Pray we would see disagreements and issues in our body as opportunities to serve the Lord, remember His Grace, and grow together. Pray the world would see our compassion for one another and look to Jesus.

Pray for a church-This we are praying for Highland View Baptist Church in Port St. Joe. Pray for their pastor, James Younis during his last week with them as a church. Pray for his family as they make the move to Jacksonville, Florida. Pray for Highland View to remain united as a body during this transitional time. Pray they would find interim leadership quickly so that they can continue to live out the Gospel as a body while they await a new pastor. Pray for God to be glorified through this church even in difficult times.

Pray for the Church-This week we pray for the church in Mauratania. This country of 5 million people in North Africa is 99.5% Sunni Muslim. Christians there are persecuted by the government and shunned from their families. Pray the Lord would strengthen and protect them. Pray they would continue in faithfulness and that the Lord would use them for His glory.
