

Grace Covenant Church Lord's Day Service

Worship Guide for January 8th, 2023

Grace Covenant Church is a covenanted community of Christians who are compelled by God's Word and commissioned to the nations.

Weekly Prayer:

Pray for our Church- This week we are praying our 2nd plumbline, which says: Christians don't just join churches, they submit to them. Pray we will see the kindness of God to work in us through his Church. Pray that we will understand and give ourselves to His Church. Pray that we will not see the church as optional but central to our lives.

Pray for our City- This week we are praying for Foster Care in Bay County. Pray for the children in foster care all around us. Pray for families, workers, and supporters to love and care for children well. Pray for Christian homes and salvation for these children.

Pray for our World- This week we are praying for Bible translation work around the world. 1.45 billion people from 5,509 languages do not have the complete Bible in their heart language. Pray this changes. Pray for Disciples to be made in these languages. Pray for workers in this task. Pray for Distribution and Bible teaching.
