SUNDAY SCHOOL

Sunday school is an important time, dedicated to delving into the Word of God to find all the treasures God has for us there. Our Sunday school teachers systematically teach through the Scriptures each week, line upon line, precept upon precept. There is a Bible class for each age group, and a list of all classes and their locations can be found in the church vestibule.

SUNDAY MORNING & EVENING SERVICES

God has mandated the preaching of the gospel (Matthew 28:18-20; Mark 16:15; Luke 24:47; John 20:21). Because we believe that a service should be designated for this purpose, we usually set aside Sunday morning for this important ministry. The teaching ministry of the shepherd is equally important for the equipping of the saints for the work of the ministry. Establishing believers in sound doctrine is best achieved by an expository teaching ministry. Sunday evening is devoted to this purpose.

MIDWEEK SERVICE

The midweek service is always a refreshing time of Bible study and prayer. On Wednesday evenings at 7:00, line upon line our pastor teaches the truths found in God's Word. Please do not miss what the Lord has for you at this important weekly meeting of our church.

Songs

OF LOUDEST PRAISE

"Come before His presence with singing."

PSALM 100:2

Morning

Psalm 150 (Praise the Lord)	Screen
All Creatures of Our God and King	63
He Is Exalted	36

We earnestly ask that every sincere worshiper will enter the auditorium in an attitude of reverence, silencing electronic devices, and as the prelude music begins, to prayerfully seek the Lord's face and blessing.

Please join in the congregational singing, carefully considering what is being taught in the song and, above all, being concerned to worship the Lord in spirit and in truth.

AUDITORIUM WINDOWS

After 73 years and some refurbishing along the way, the stained-glass windows in the auditorium are in dire need of complete restoration soon. The exterior shows much rot and decay, leaving the windows in a very fragile state. We have received several estimates, all of which are very costly. Please consider giving towards this much-needed project.

We are lacking approximately \$35,000 to get this project underway.
