

# Soul in the City Prayer Guide 2024

The purpose of this prayer guide is to call you to prayer and partnership with God as He works through all of the Soul in the City students and leaders. We want to sincerely ask for God to guide us, set our hearts on fire and reignite our faith that leads us to action.

As a prayer partner, you may be blind to the events during the day at Soul in the City, but can still pray with faith that God will be God. Sometimes the events of this world do not make sense, but we know that God hears our prayers and uses all kinds of situations for lives to be changed and His glory to be made known.

Please use the names of the students and leaders and the powerful word of God to pray through this booklet. Listen to His voice as He leads you to pray for this event. May the God of all creation richly bless you.

Dear Heavenly Father:

We thank you for calling each and every one of the participants and leaders here to Soul in the City 2024. We ask that you give everyone involved in this mission week your peace and strength to continue in the daily chores and to make each day a mission to glorify You. We pray that you give us all genuine hearts of worship and servitude so that we can be an encouragement to one another and show Christ's love to everyone we meet this week. Amen
