JOHN 4:24

8 **The Moral Principles**
The moral principles of the Bible are the foundation of the Christian faith. They are the principles that guide us in our daily lives and help us to live in a way that is pleasing to God. The moral principles of the Bible are found in the Ten Commandments, the Sermon on the Mount, and throughout the rest of the Bible. They are the principles that we should strive to live by, and they are the principles that we should teach our children.

A person stands in a field of tall grass, arms raised in a gesture of praise or joy, silhouetted against a bright sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. The sky is filled with soft, wispy clouds. The overall mood is one of awe and spiritual fulfillment.

PSALM 23:1

Why Pray the Psalms by Christopher Ash

1. Teaches us to pray (most important reason!)
2. Trains us to respond to the riches of Bible truth.
3. Shapes well-rounded people to pray in all of human life.
4. Reorients disordered affections into God's good order.
5. Can sweeten sour emotions.
6. Guards us against dangerously individualistic piety.
7. Arouses us to warmth in our relationship with God.
