GROTTO of
PAN

An aerial photograph of the archaeological site of Baniyas, Syria. The image shows a rugged, rocky landscape with a large, dark cave entrance on the left. A dirt path leads from the bottom left towards the cave, with a group of people walking along it. To the right of the path, there are ruins of ancient stone buildings and walls. The text 'GROTTO of PAN' is overlaid in large, white, 3D letters, and 'ancient BANIYAS' is overlaid in smaller, white, 3D letters to the right.
