3. MEMBERSHIP INFORMATION

Associate membership is only for those who wish to remain members of their home church and become members of GCC as well. The only difference between regular and associate membership is an associate member keeps his or her membership at another church as well. If you are not a member of another church, associate membership would not be an option for you. Associate membership is great for a college student whose permanent home is in a different area and they would like to remain a member of their home church as well.

- I am applying for **associate membership** at Grace Community Church.
- I am applying for **regular membership** at Grace Community Church.

If you are applying for associate membership, please give the name of the church where you wish to remain a member, the city and state where it is located, and why you wish to remain a member of that church.

If you are applying for regular membership, are you moving your membership from another church? If yes, please give the name of the church and the city and state where it is located (GCC will contact this church for a reference).

If you are moving your membership from another church, are you a member in good standing with this church and are you leaving under good terms?

4. **GOSPEL UNDERSTANDING**

If you were to die suddenly, are you sure that you would go to heaven?

What reasons would you give if God were to ask you, "Why should I let you into my kingdom?"

5. **CHRISTIAN EXPERIENCE**
