Ephesians 6:20-24; “Distinguishing Marks of God’s People”

Q: What makes the church stand out from the world?

Big Idea: As children of God, live out the love of God.

Ice Breaker: Reflect on books or stories you’ve read recently. Which one had the most thrilling ending?

Dig:

1. Compare/contrast Paul’s closing of his letter to the Ephesian church in these verses to his opening in Eph 1:1-2. How do these summarize his whole letter?
2. Briefly review the themes covered in Ephesians. Which ones were most challenging to you? Which ones were most comforting? Why?

Apply:

3. As you reflect on our Ephesians series, which lessons seem most important for GraceFirst Church? For your own life?
4. What meaningful application steps have you taken based on our Ephesians study? What ways have you seen God at work? What new steps will you take?
