

## **Small Group Study Guide, Week of December 21, 2025**

### **Advent 4: Titus 2:11-14, "God's Grace Gifted,"** Pastor Jordan Krahn

**Ice Breaker:** What Christmas treat do you have the hardest time saying "no" to?

#### **Dig:**

1. For context, read all of Titus Chapter 2. What groups of people does Paul want Titus to address in his church? What does Paul want Titus to teach to each group? What similarities do you see in the teaching across groups? What differences do you see in the teaching directed to different groups? Why? What is the role of mentorship in these instructions?
2. In verses 11-14, what reasons does Paul give for why a Christian should live differently? What should a Christian give up? What should a Christian do instead? How do these relate to Jesus' death? To his return?

#### **Apply:**

3. As you reflect on these instructions on Christian living, which ones are you already progressing toward? How can the group encourage you in next steps? Which instructions do you struggle with? How can the group encourage you in these?
