

*“Give thanks to the Lord, call on His name;
Make his works known among the people. (Psalm 105:1)*

First of all, I want to thank you, beloved brothers of GBC, for your generosity, in which during these months you have given us this financial contribution to strengthen the economy of our church. God bless the generosity that you have had, without a doubt this is one of the works of our God that we must tell, and everyone must know it.

Secondly, I would like to share with you some of the things that God has been doing among our community of faith:

1. We celebrated the fathers of the church, the celebration was held with all the men of the church, both those who are fathers, those who are not fathers, and single brothers. We were meditating the importance of living our masculinity according to what the Scriptures show us, in a very practical way.
2. The sisters had their meeting time. They are using a book called True Strength, where they are meditating on 7 habits that make women weak.
3. We also had a meeting with those who serve in the church, as I will be meeting with them once a month in order to convey the vision of our church's work.

I'll be sharing some photos.

Prayer Requests

1. Continue praying that the Lord will give us more pastors and deacons.
2. So that workers can be confirmed to their service.
3. We have a project to restore an internal wall, pray that the Lord can provide what we need to be able to restore that wall by putting generosity in the brothers.
4. I am preaching Ephesians, and we are emphasizing strengthening ourselves in identity in our Lord Jesus Christ, in doctrine and in practical love to preserve the unity that the Holy Spirit has given us, through the gifts.
