## Month of May

We express our gratitude for your continued prayers on our behalf and for the financial support you faithfully provide. We also lift you up in prayer, asking our Lord to continue using you for the glory of His Name, the expansion of His Kingdom, and the edification of His church. Your support—both in prayer and financially—encourages us greatly as we work toward the goals we have as a church in this community, and you are an essential part of this work.

Throughout the month of May, we were blessed to carry out several activities for children, men, and women. In each of these, we clearly witnessed the hand of our Lord sustaining and guiding all that was done.

## Prayer Requests

In the September report, I will be sharing our prayer requests in a more specific way. Please continue praying for the servants of our church, so that we may keep working toward the goals we have as a local church. Our desire is that the Gospel may remain in the minds and hearts of the people we serve—both those who belong to our church and those who are visiting us. In recent times, we have seen how the Holy Spirit has been moving in our hearts and has allowed us to reach new people in the community.
