

## **June Missionary Report**

### **Blessings and Discipleship for Children**

During the month of June, the Lord graciously provided us the opportunity to continue ministering to the children of our church and community. The children were gathered for the second session of our ongoing discipleship program. In this time, they were taught about the miracles performed by our Lord Jesus Christ, with special emphasis on the greatest miracle of all: salvation through His death and resurrection.

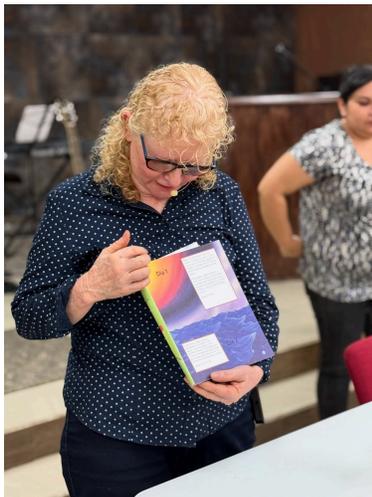

### **Recognition and Encouragement for Fathers**

In addition, we recognized the fathers of our congregation this month. They participated in a time of fellowship, receiving instruction and encouragement to become men who take spiritual leadership in their families and serve as positive influences within the church. We express our gratitude to Brother Winston, who shared the Word of God during this special gathering.

### **Conclusion**

We are grateful for the continued opportunity to serve our community and church family, seeing the Lord work in the hearts of both children and adults. We ask for ongoing prayers as we seek to further nurture discipleship and spiritual growth among those entrusted to our care.

## *Prayer Requests*

We ask that you continue praying for the children of our church, that Christ may be revealed in their hearts and that they may live in the fear of God. Please also pray for the parents of these children, that they may faithfully follow the instruction of Scripture in raising their children in the discipline and instruction of the Lord. Additionally, pray for the children in our church who do not have their parents, that they may be drawn to Christ through the ministry the church provides for them.

We also ask for prayers for the men of our congregation, that they may live courageously and lead their households and the church with godly influence, being examples in society. Pray that the Lord would confirm callings for official service within our church and guide those whom He has called to serve faithfully.
