

Missionary Report – July

“Praise the Lord, all you nations! Extol him, all you peoples! For great is his love toward us, and the faithfulness of the Lord endures forever. Hallelujah! Praise the Lord!”

Psalm 117

We bless our Heavenly Father and His Son Jesus Christ because He has allowed us to celebrate another anniversary in our church. By His grace, we reached 36 years. These have been 36 years in which we have gone through different seasons—both good and filled with much rejoicing, as well as difficult and distressing moments—but in everything, we have seen the gracious hand of our Lord.

In recent times, our Lord has brought much comfort and nourished our hope, as we have been experiencing an atmosphere of unity, joy, and delight, both in times of worship and in times of fellowship. The last sermon series was based on the theme of the love we must have toward God, toward one another, and toward our neighbor in general, and God has moved in a very special way in the heart of His church.

This has also been a time to reconsider some things we have been doing, with the purpose of strengthening unity, service, vision, and the heartbeat of the church. For this, we have once again presented to the congregation the statutes of our church, so that some may remember and others may come to know our DNA as a local church. In this, we have also seen a good response from both members and visitors.

Month by month, the servants of the church have been meeting together with the purpose of addressing the topic of spiritual leadership, examining in which areas we are weak and in which we are strong. We have been able to see the fruit of this work we are doing.

In all of this, you also share a part, for your support in prayer and even financial support—and above all because the blood of our Lord Jesus Christ, with which we have been sprinkled, is what unites us as a family. We know beforehand that you also keep us in your hearts and rejoice with us.

Prayer Requests

- That our Lord may continue to sustain us with His grace.
- That our vision may be sustainable, and that every member and attendee of the church may understand and embrace the vision of our church.
- Spiritual maturity in the team of servants.
- That each one of us may love this congregation, understanding that Christ paid for it with His own blood.

- That the Word of Christ may dwell richly in us.
- That preaching may continue to be central in our services.
- That our Lord may provide more pastors and deacons.
- That the Lord may give us healthy and strong finances, and that the members may be generous in their giving to reach this goal.

We also ask you to support us in prayer for five projects:

1. Installing glass doors to enclose the building and add air conditioning.
2. Installation of air conditioning units.
3. Remodeling of the building, including a lobby and sound booth.
4. Construction of an annex for a kitchen and dining room.
5. Expansion of the church apartment.
6. I will attach some photographs of the anniversary celebration.
