

## August Report

Once again, we thank you, beloved brothers and sisters, for the support you give us through your prayers. It is a joy to share with you what God continues to do among us, for you are a part of it.

We thank our Lord because during the month of August, in addition to our regular meetings, where we witnessed His support and His constant love speaking to us through His Word, we were blessed to celebrate the mothers of our church together with the women of our congregation.

They received instruction in the Scriptures through our sister Rosemary

Sister Rosemary Núñez in charge of teaching the Word of God

Time to praise our Lord

The brothers who served the sisters
