

Ministerial Report.
San Quintin, B.C.
Manantial de Agua Viva Bible Church.

God bless you, beloved brothers and sisters; know that my family and our family in the faith are praying for you – that God may continue to strengthen your lives and that you may prosper in everything, just as your soul prospers.

We are deeply grateful that you continue to pray for us as a church, for my family, and for me.

It's always a pleasure to stay in touch and share with you the activities we're carrying out at the church:

I'd like to let you know that...

- We're continuing with our regular services at the church:
 - ☐ Wednesdays at 7 p.m.: Worship service and Bible study.
 - ☐ Fridays at 7 p.m.: Prayer meeting.
 - ☐ Saturdays: Youth activities for both girls and boys.
 - ☐ Sunday at 11:30 a.m.: General service.
 - ☐ On the first Sunday of every month, we celebrate Holy Communion, but before that, we have a fellowship breakfast.

- My wife, Anahí, is involved in the women's ministry; every third Saturday of the month, she meets with the women to teach them about the Bible. She also helps me coordinate the children's ministry and daycare. She takes on a teaching role, personally caring for and teaching the children.

Also...

- On July 24, 25, and 26, my wife and I will be attending the annual meeting of the United Ministries Council, a religious association with which we are affiliated for the purpose of oversight, and our presence is required. (This year's meeting will take place in Los Cabos, B.C.S.)

Also...

- On Thursday, July 30, Friday, July 31, and August 1 (three days) we will be holding our summer Bible school, which will be attended by children from our church and the community, to plant the Gospel in their little hearts.

Also, I want to let you know...

- That we are grateful to God because He has opened the door for us to meet at the home of a family who lives 20 minutes from the church (by car)

God has placed a burden on my heart for them, since sometimes they couldn't come:

- ☐ Because of the distance: they have to plan well in advance to come, and they don't have a car (to take public transportation, they have to walk).
- ☐ They are farmworkers: and sometimes there isn't much work, and they don't earn enough to pay for their round-trip fare.

We were praying at church, and I was talking with the men of the family.

And so, beloved, God allowed our first service to take place on Sunday, May 24, 2026, at our brothers' home in the Graciano Sánchez neighborhood. (Photos attached at the end)

There is great joy in our hearts and in the hearts of our brothers and sisters when they see us arrive with our guitar and our Bible. I can see

that they are happy to welcome us and to praise our Lord and Savior Jesus Christ together and be nourished by the Word of God.

Although we know that our brothers and sisters have such generous and hospitable hearts, we also know that we cannot stay in this home for very long, and our prayer is to see what God wants to do through this mission here in Graciano Sánchez.

For now, beloved...

- Persevere in prayer for the “Manantial de Agua Viva” Biblical Church, so that they may comprehend the breadth, length, height, and depth, and come to know the love of Christ that surpasses knowledge, and so that they may be filled to the measure of all the fullness of God.
 - Please keep Graciano Sánchez’s mission in your prayers.
 - Please keep me in your prayers so that God may give me wisdom, knowledge, and maturity to continue being an instrument in His hands.
 - Pray for my wife and children, that God may strengthen their lives through His Word.
 - Also, pray that God will provide for our needs both at home and in the ministry.
-
- I am deeply grateful to our beloved brother Tony Sanelli for his financial support and for providing the means for me to continue my training at the Costa Rican ministerial academy (online). I would also like to thank the other elders and leaders of Grace Bible Church, as well as the church itself.

Please accept a warm and heartfelt hug from my sons, Carlos and Caleb; my wife, Anahí; and me, Roberto Martinez.

...the gospel that has come to you. Just as it is constantly bearing fruit and growing throughout the world.
