

Montoya Minutes - September 2022

## ***Greetings, Beloved Brethren!***

We write to you from cold and snowy Idaho where we are currently participating in a missions conference. We were invited by the Kensinger family and it has been a joy to spend time with them and the dear saints here. We have also enjoyed meeting other missionaries that are serving the Lord in different parts of the world.

Before arriving in Idaho, we had the great blessing of visiting family for a week. We got to spend some time with Jeremy and Andrea in Florida. We will also get to visit with them again as we head home to Honduras. This has been timely as they have recently gone through a very difficult trial... Andrea had to undergo emergency surgery for an ectopic pregnancy. We are thankful for God's protection of her life. Please pray for them as they work through the grief process and seek to trust the Lord and glorify God. As a family, we are thankful for the precious truths of God's Word that sustain us.

In NC, we were able to visit with Lori's parents and spend time with the newlyweds, Marcy and Ryan, and the soon-to-be wedded, Leslie and Luke.

In Virginia, we got to visit Jon and Madi, Jon-Wilson, and our new grandson, Ian Fuller, born on October 14. We are thankful to God for His protection of both Madi and Ian.

It was a whirlwind-week, but we are so grateful to God for these precious family moments and we treasure them in our hearts.

Back in Honduras, the final seminary module of the year is in session! It's hard to believe we have graduation in less than three weeks! Our daughter, Kimberly, is busily preparing for this highlight of the year! We

students “roots” and “wings”! We pray that the students will always be grounded in truth and that they will be faithful to impart that truth to others!

Last night, was the final SEPE wives ZOOM meeting for the year! It was a special time for Lori, hearing testimonies from the wives of the students who are about to graduate! Obviously, these ladies have made many sacrifices as helpmates and their lives have been impacted in this seminary journey. It was an emotional time that put God’s faithfulness on display!

Please pray for the graduates and for God’s guidance in their lives and ministries. Also, please pray for God to bring new students who desire to be prepared for preaching the Word with power, passion, and precision.

Things are going well in our local church body...we are thankful that Pastor Raul is experiencing renewed health and has been able to participate with our son-in-law, Edwin, and Carlos in the elder meetings. Recently our church had the beautiful experience of holding a joint service with a church plant that is close to MEDA. This is a work that the Kensingers began when they served at MEDA. It was a special “naming” service where this newly formed church was named, “Camino de Cristo” (which literally means “The Way of Christ”). It is pastored by one of our seminary graduates. Sara and Abi have loved getting involved in helping with the children’s ministry there each Wednesday afternoon!

Thank you for your continual prayers on our behalf! We are so grateful! Please let us know specific ways that we can pray for you! It is a joy to hear from you and our privilege to pray for you!

By His Grace Alone,  
The Montoyas

P.S. Here's our latest prayer card.

## TRAINING PASTORS, STRENGTHENING CHURCHES

For more than 20 years, the Montoyas have served the Lord in the country of Honduras. Carlos is the President of *MEDA* in the city of Siguatepeque, a ministry that serves all Latin America, offering an M. Div. degree through the *Seminary for Expository Preaching* (SEPE).

He is also an elder at *Betania Baptist Church*, preaching and teaching regularly. Lori cares for the family and serves in hospitality and ministries with women and children. Carlos and Lori have 7 children, 2 still at home (Sara and Abi) and 6 grandchildren.

Above all, we desire your faithful prayers, but if you would like to contribute to our ministry either by a one-time gift or monthly support, please send checks designated:
