

## EBENEZER BIBLE CHURCH

Blessings brothers, I hope that the grace of the Lord Jesus Christ be with each of you. It is a great joy to be able to write this letter to you, in order to present a report on the state of the Ebenezer Bible Church in the City of Tijuana B.C.

First of all, brothers, I am grateful for the spiritual support you have for us, for your prayers, supplications, and petitions before the throne of grace, in favor of the Ebenezer family of faith. As well as spiritual guidance and advice in unusual circumstances that arise in the midst of the congregation.

Thank you because although we are geographically distant, we are united in the same Spirit, with the same purpose, which is to preach the gospel and give glory to God, through lives that strive in the faith of our great God and Savior Jesus Christ.

Now, allow me to bring before you the condition of the Church, the brothers in the congregation continue to persevere in the doctrine of the gospel, constantly walking in obedience to the word of God, as we know, not in a perfect way, but an effort is seen in pleasing the Lord with their lives.

There are groups within the Church that meet to study the word of the Lord, for example:

The ladies meet once a month, in the church facilities, they go out to visit other women in the church and the community, to pray for them and help with certain needs, spiritual and physical.

The young people meet every Saturday afternoon, led by brothers Sergio Tapia and Andres Lopez; These two men are on their way to being named elders of the congregation.

The children meet on Sunday mornings, receiving Bible teaching and application for their lives.

For my part, I am currently preaching the second letter of the Apostle John, teaching the Church on Wednesdays, taking time in counseling within the body of Christ.

Brothers Sergio Tapia and Andres Lopez teach Sunday school.

On the other hand, beloved brothers, I ask you if you continue praying for these two men that hands may soon be laid on them so that they may be at my side, in the work that the Lord has left us to carry out.

Another request is for the new location for the Church, at the moment we are praying that God will help us and provide the necessary means to move to another place in Tijuana.

I ask you to pray for me, that the Lord continue to use me in the preaching of the gospel and that the message be supported by the power of the Holy Spirit, by convicting the hearts of those who have no salvation, so that God gives them new life, for the glory of his name and those who have been saved may be established, built up and grow in the grace of the Lord Jesus Christ.

For now, this is all, beloved brothers, and thank you for your love towards Ebenezer Bible Church.

The Lord be with you.
