

## Reporte Iglesia Biblica Ebenezer Enero-Marzo 2025

Blessings, beloved brothers and sisters. It is my prayer that our God will help, strengthen, and guide you in all your ways. This report is to present the activities of your servant in the ministry of the church and also to show how the church is working in the work of the Lord Jesus Christ in the city of Tijuana, B.C.

A.- First, brothers and sisters, in the ministry I have been developing these past three months at the Ebenezer Bible Church (EBI). I continue preaching from the book of Isaiah, alternating with a series of sermons on church membership. On Wednesdays, I teach the story of the redeeming God, and on Fridays, I teach an evangelism course. On the same day, we have our time of prayer as a church.

- In San Quintín, I preached twice a month during the months of January and February. I taught about the Sermon on the Mount, specifically the Beatitudes.
- On April 5th, I will be giving a lecture in Ensenada with Pastor Jorge Macfarland.
- I am continuing my Bachelor's degree in Educational Sciences and am in my second year.
- Brother Sergio Tapia continues his preparation for the pastorate. He also teaches Sunday school and preaches on weekends when I have to preach at the Ríos de Agua Viva Church in San Quintín.
- Roberto Martinez was teaching the initial Sunday school at the beginning of the year and continues in the worship ministry. In March, Roberto preached two sermons on Colossians at the Ríos de Agua Viva Church. They were very edifying for our lives. We continue to pray that, God willing, Roberto will go to San Quintín to preach and teach at the Rivers of Living Water Church.
- The men are meeting every second Saturday of the month (in January, we had a men's breakfast with other men from various churches in different municipalities of Baja California).
- The Women meet once a month, every third Saturday of the month. They are visiting women in the area near the church to share the gospel.
- The youth are meeting twice a month.
- The children's ministry is growing and strengthening; events have been held with them in recent months.

B. Regarding the new export and import port, the progress is very evident, and with that in mind, we continue searching for a new site for the church.

- On the other hand, the brothers continue to make certain improvements to the building where we currently meet, next to the old building.

C.- Brothers and sisters, I ask for your prayers for my parents. On April 8th, my father will have surgery for bladder stones, and my mother is undergoing evaluations to attempt another operation to remove the stone from her gallbladder.

- Brothers and sisters, I ask you to continue praying for us, that God may help us, strengthen us, and guide us to make decisions that glorify His name, living in holiness.
- We are praying for you and the churches where God has placed you as pastors to feed, care for, and guide His beloved people.

(Philippians 1:3-6) 3 I thank my God every time I remember you.

4 I always pray for all of you with joy in every one of my prayers,

5 because of your participation in the gospel from the first day until now.

6 I am confident of this very thing, that He who began a good work in you will carry it on to completion until the day of Christ Jesus.

Blessings brothers, the grace of our God be with each one of you, the Lord is coming soon.
