The Battle from the Beginning

Genesis: Deceitful, Debatable, or Definite?

Genesis 1:1-3a

When considering Genesis, you probably fall into one of three major camps:

I. You Believe Genesis Is Deceptive History

II. You Believe Genesis Is Debatable History

III. You Believe Genesis Is Definite History

"My claim is that when you do a sensitive analysis of Genesis 1-11 it suggests that we're not dealing here with a straightforward historical narrative, but with a mytho-history. I think that the narratives of Genesis 1, given their genre, leave it open as to how God created Adam and Eve, and that makes it a scientific question" - William Lane Craig
