FUTURE PROMISE FUELS PRESENT FAITHFULNESS

Haggai 2:20-2:23

Two unshakeable future promises which motivate us to faithfulness now:

- The future victory over all opposition is secure (v21-22)
- The future rule of the Eternal King is sure (v23)

"God does not leave us without promises to encourage us, nor does he allow us to sit back complacently -- but he motivates us by those promises to be faithful to Him. Are you actively faithful to Him as you anticipate His faithfulness?"
