- 5/31-8/30 - **Summer Preaching Series:** *The closing chapters of Genesis tell far more than the story of Joseph. They reveal how God preserved the covenant family through whom He promised to send the Messiah. Again and again, the promise appears to be in danger through betrayal, moral failure, and famine. Yet through every circumstance, God faithfully protects His plan. This summer, we will explore this remarkable display of divine providence in our series "The Seed: Sovereignly Preserved."*
