TIMOTHY'S JOURNEY: MORE FAITH

Timothy's Journey: More Faith

God develops our faith with and through other people. It's good to be mentored and to mentor someone else. Paul disciplined Timothy, who disciplined many men.

Timothy also grew in his faith with his mother and grandmother. Timothy learned to choose faith over fear. Timothy learned how to lead people to Jesus. Timothy learned how to set an example and inspire older people. Timothy learned how to stand up for truth. Timothy learned how to shepherd a church.

We are lifelong learners, and God is always teaching us. Exercise your faith because it's more than just knowledge. Without faith, it's impossible to please God. Walk by faith because God is trustworthy and good.
