## **PHILIP'S JOURNEY: MORE PURPOSE**

Pastor: [Jesse Bradley](#) Series: [Victory](#)

### **Philip's Journey: More Purpose**

God will lead us well in every situation. He knows us, the challenges, and the solution. God fills our souls with passion and our days with purpose. God communicates with us personally through Scripture and the Holy Spirit.

Philip served food to the overlooked Greek widows. Philip traveled to Samaria, and God brought a revival. Philip listened to God and came alongside an Ethiopian man. Philip led the man to Jesus and baptized him as the gospel spread to Africa.

God will give you a wide range of meaningful experiences. Let God write the story. Our role is to trust God and be faithful in our generation.
