WE NEED THE HOLY SPIRIT

Pastor: [Jesse Bradley](#) Series: [Unashamed](#) Scripture: [Romans 8:1-39](#)

WEEK 8:

Read: Romans Chapter 8

The Holy Spirit is essential to live the Christian life. When you put your trust in Jesus as your Savior and Lord, the Holy Spirit dwells in you for the rest of your life. What an incredible gift! We are Trinitarians because the Scripture teaches there is one God, three Persons: Father, Son, and Holy Spirit. God wants us to be filled with the Holy Spirit. We need to repent, ask, and yield. The Holy Spirit will help us when we pray and empower and lead us all week. We can be faithful to God through the power of the Holy Spirit. There is nothing that can separate us from the love of Jesus. We are more than conquerors through Jesus who loves us. We know that God works all things for the good of those who love God. The hope of Jesus is greater than our challenges. There are so many wonderful promises in this chapter. Memorization and meditation on God's Word are often neglected. Slow down to receive and enjoy the truth God is communicating through these inspiring verses and linger in His presence.

Hope Point: The hope of God is infinite and greater than our obstacles and opposition.
