

DECEMBER 2020 BECKER PRAYER UPDATE COALITION ACTION INTERNATIONAL PO BOX 198, MOUNTLAKE TERRACE, WA 98043 HQS: 425-775-4800 DIRECT LINE: 707-294-8859 ACTION Coalition is a part of the Pastoral Leadership Development division of ACTION International. There are over 3.2 million untrained or under trained national pastors in the world. We are thankful to God and give Him all the glory for the fruit that this ministry is bearing in equipping and encouraging national pastors through the Word of God. To learn how you can help in this ministry, give Walt Becker a call at 707-294-8859. As a coalition, we are dependent on God to work through our partners who fervently pray and faithfully give for His glory. Dear Prayer Partners, It is a blessing to serve our Lord in such a time as this! At my “ripe old age”, I can identify with the Apostle Paul, who yearned for the day when he would be with Jesus in heaven (see above Scripture), but realized that his life and ministry is in the hands of the Sovereign One. With this in mind, as long as I am able to effectively serve with the gifts and abilities that the Lord has given to me, I am His to continue to mold and use! My encouragement to you is continue to “press on” and allow God to continue to use you, regardless of your circumstances, till He takes you home. Then we can all celebrate together!

VIRTUAL MULTIPLICATION DISCIPLESHIP MINISTRY

The Lord has blessed us with very strong involvement and excitement amongst our missionaries in many countries to participate as teachers with this expanded online video teaching and coaching discipleship ministry. We have launched our pilot program and are now involved in Virtual Multiplication Discipleship with ACTION missionaries or leaders in India, Pakistan, Myanmar, Uganda, Nepal and Bangladesh. There are now eight teams of North American teachers who are teaming up with our missionaries from around the world. Each teaching team will consist of a missionary from ACTION and a teacher from North America. The missionary identifies a national pastor(s) that he knows will take what is learned and teach others so the process of multiplication may take place.

What has been the initial response and impact to make disciples? It has been phenomenal! In Uganda, for example, one national pastor has been taking what he is learning online and teaching lead pastors in six different areas of his country. We help provide traveling expenses. These pastors then teach other pastors and leaders in their area – who in turn teach others! 2 Timothy 2:2 is a reality! In Myanmar, our missionary in that country is taking things he has learned and teaching pastors in some of the impoverished places in that country who have not had any opportunity to receive formal education. They, in turn, are teaching others! In Pakistan, our ACTION missionary has identified several of his leaders who we are teaching online and now church planting and developing mentor groups.

During this pilot program we have seen the process of multiplication in discipleship making right before our eyes! Our website also continues to get more improvements for recruiting both teachers and national pastors in the future. The Lord has blessed with about 50% of the funds needed (\$7,000) to both develop the website and assist national Pastor/Leaders who are being trained online as they travel and hold training conferences with other national pastors in their sphere of influence so 2 Timothy 2:2 can become a reality. If the Lord is leading you to help meet the rest of this need, please make your check out to ACTION and on the bottom of your check write “Virtual Website Ministry Fund” – Acct. 58007.B. Please continue to pray that multitudes of national pastors will be trained and then train others through our online training and discipleship ministry.

- VIRTUAL MULTIPLICATION!
