

Dear Family in Jesus Christ.

Please pray for the following details.

--For complete trust and faith in The Lord. It is not easy to take a big step of faith and move back to our home country where Y was arrested multiple times and we had to escape many years ago. We have a lot of hurtful memories of persecution and since we moved to the U.S. we have had multiple trauma counseling but still our hearts struggle from time to time when we think of moving back. But It is His call and we choose to Obey and have peace.

-- For God to bring more people to partner with us in prayer, and financially.

--For our sons school situation in Turkey. We have found a English speaking school, For him to be accepted and for the funds to be raised (\$13,500 annually).

--Our daughter to stay strong in her faith, and in every area as she stays in the States. For her move in to an apartment with her friend and settle down and adjust life without us.

--For us to find an apartment that is in a safe area.

--Finding an affordable car for our family and ministry needs. (Cars are taxed high in our home country, it is definitely more expensive than America).

--For our Physical, spiritual and emotional health and protection as a family (Pandemic, stress, wife's recent surgeries).

--We are hoping to move in end of June- early July Please pray for God to provide all that is needed in His timing.

May the Lord Bless you all and if you like to share this email/prayer letter please share only with those you know and trust.
