

12/20 Update

Please continue to pray for Shan, Ran's wife, who has been very sick with some serious illnesses in her abdomen. Praise that she is now doing better. She was in so much pain that it was not possible to even walk; praise that she is now able to walk! Ran and Shan lost their village home during the persecution of 2008. The persecution resulted in over 500 Christians losing their lives, of which about 50 were pastors. Ran mobilized a team and began a ministry for the widows and orphans who lost their husbands/fathers. He left a secure job as a librarian and sold many of his personal possessions to buy food and provide lodging for the widows and orphans. Ran and Shan have never looked back! Today over 100 pastors are involved in this ministry that has seen over 20,000 people come to Christ in the last twelve years! Recently, many Christians donated funds to help provide a home for Ran, Shan and their two children. Praise for the \$70,000 that the Lord provided! There is a balance on Ran and Shan's new home of just \$9,000. If the Lord so leads you, pray and give as you are able.
