

~THE MOLINAS~

🎄 EXALTING CHRIST IN ESPAÑA 🎄

In his now christian classic, [Knowing God](#), the author, J.I. Packer argues that the incarnation of the second Person of the Trinity is the "supreme mystery". Indeed, it is mind blowing to think that our Lord would take humanity... without loss of deity. Fully God and fully man... and lived as a man the perfect life we cannot, yet to fully suffer the punishment we deserve. The very Holy Son of God did this for us, His enemies. We, sinners. Isn't this *the* reason to celebrate this Christmas?

*...the holy one to be  
born will be called the  
Son of God.  
Luke 1:35b*

In the midst of such a difficult year, we are thankful to the Lord for allowing us to serve Him in Leon, Spain. He is faithful. He is good. He is Lord. He is the Sovereign King. He is in absolute control. He is building His church. And He is coming back. Amen to that!

We will send you a full update with exciting news very soon, but in the meantime, we want to express our thankfulness for your support one more year. Our prayer and desire is that the Lord is glorified through all of us during this Christmas season. May He bless you and protect you.

*For from him and through him and to him are all things. To him be glory forever. Amen.*
